

**2016 MEKERRA
LA MEKERRA VINEYARD**

This one acre planting of Chardonnay on our high elevation vineyard is truly beginning to produce a wine that can rival some of the most established Chardonnay producers. Planted in 2012 on the southwest slope of the property, the vines only yield two tons of fruit. Aromatics that leap from the glass of banana, honeysuckle, vanilla, with a creamy nose and a subtle floral component of chamomile. The mouthfeel is rich despite there being no malolactic fermentation and still maintains its great minerality.
