

2015 MEKERRA
LA MEKERRA VINEYARD
PROPRIETARY WHITE

Our fifth vintage from this stunning high elevation vineyard and we are extremely proud of this effort. Reminiscent of the 2011, our first release of this wine from La Mekerra, it has the distinctive aromatics that distinguish it from any other Sauvignon blanc. Ripe tropical and exotic fruits with notes of peaches, pineapple, pink grapefruit and anise. The nose reveals that this is a wine full of power and minerality. Superbly balanced with great acidity, this 2015 is a classic for the vintage showing focus and purity.

"This overwhelmingly interesting Sauvignon blanc is like no other and the sole reason is due to the elevation of the vineyard and its soil profile."
