

2014 MEKERRA  
LA MEKERRA VINEYARD  
PROPRIETARY RED

The 2014 is a superb blend from our high elevation mountain vineyard and is a testament to the 7 years of wines being produced from it. A perfumey nose full of smoke, tar, raspberries and herbs leads into a silky sweet entry that has a smooth creaminess with great energy and brightness. An extremely inviting wine that leans more towards having a merlot-like influence despite the cabernet franc in slightly higher proportion.

The finish boasts sublime tannins and pure finesse.

“A very approachable vintage overall showing how refined this vineyard can be – truly coming into its own since planting it in 2004.”
